# November

# River Heights Elementary NEWSLETTER

As we welcome November, a friendly reminder to please send students dressed for the colder weather ahead. Our students are outside learning and playing several times throughout the day, so warm coats, hats, mittens and appropriate footwear are important.

This month, we look forward to connecting with families through our Teacher-Student-Parent Conferences. We will also come together as a school community for our Remembrance Day Assembly to remember and show our respect for those who have served and continue to serve.

Wishing everyone a wonderful November!

**November 30**

We warmly invite families to join us for our **Remembrance Day Assembly on Tuesday, November 10, beginning at 10:45.** This is a meaningful opportunity for our River Heights community to come together to remember, respect, and honour the men and women who have served, and continue to serve, in the pursuit of peace and the safety of our country.
There will be **No School for students November 11–13** as we recognize Remembrance Day and provide our teachers with dedicated time for professional learning.

## Kindergarten-Gr 6 Teacher-Student-Parent Conferences

**November 25 from 3:30-6:30 and November 26 from 3:30-6:00.**

These 15-minute collaborative meetings will focus on your child's literacy and numeracy progress, strengths, areas for growth, and next steps. Before the conference, students will complete a reflection activity so they are prepared to actively participate and share their thinking.

Our goal is to ensure families have a clear understanding of their child's learning throughout the year.

**Kindergarten Parents**: The format for Kinder conference will look a little different. Dates and times are the same as the rest of the school. Parents will sign up for a 15 minute time slot to talk to Miss McIntyre privately without their child present. Please watch for further communication from Miss McIntyre.

**Kindergarten-Grade 6 sign up though Edsby starting November 18.**

You may soon receive weekly or bi-weekly student learning check-ins from your child's teacher. These snapshots of classroom learning help report on student growth, support school-wide consistency, and spark conversations at home, though formats may vary by teacher.

🎨 **Created By Kids Art Fundraiser**

Support our school by turning your child's artwork into personalized keepsakes like greeting cards, mugs, and puzzles! The school receives 30% of every purchase. Watch for the artwork coming home by November 10 with ordering details on the back. **Art needs to be returned to teacher by November 18**. Orders will be back between December 7-16.

Welcome Medicine Hat College and University of Lethbridge practicum students! Spanning art to literacy and 1st to 3rd year students, this is a wonderful opportunity for future educators to learn from the best while bringing fresh energy and ideas to our classrooms.

At their first meeting, the Grade 4-6 Student Advisory Committee shared ideas to improve River Heights. Students are currently planning spirit days, working to reduce playground litter, requesting field repairs near the soccer nets, and exploring community fundraisers. Stay tuned as our students use their voices to make a positive impact!

## Coming in December

**December 10**
Winter Village

**December 18**
Student Pancake Breakfast & Sing-a-long

**December 18**
